

**A RESOLUTION URGING PLANNING FOR AND IMPLEMENTING
ELECTRIFICATION**

A Resolution of Witness

1 **TEXT OF THE MOTION**

2

3 WHEREAS the major 2018 report of the Intergovernmental Panel on Climate Change told us
4 that we must reduce carbon emissions 50% by 2030 in order to avoid the most catastrophic
5 effects of climate change, a widely accepted benchmark; ¹ and

6

7 WHEREAS when we fully ground ourselves in God’s word, we understand that this is God’s
8 earth that scientists are talking about, and the Twenty-Sixth General Synod has recognized that
9 the earth belongs to God;² and

10

11 WHEREAS God’s earth could be catastrophically impacted by the climate change we are
12 causing and the Twenty-Sixth General Synod has recognized that the earth is affected by climate
13 change;³ and

14

15 WHEREAS protecting God’s creation also protects all God’s people by reducing air pollutants
16 and sickness; ⁴ and

17

18 WHEREAS, because air pollutants from burning fossil fuels are especially harmful for children,
19 the elderly, rural and under-resourced communities, and people of color⁵ protection measures
20 must be just and equitably available; and

21

22 WHEREAS God’s word as set out in Genesis, Leviticus, Mark, Mathew, and Luke leave no
23 doubt about what is required of a steward, to care for God’s land while in our temporary tenancy;
24 and

25

26 WHEREAS about 40% of the United States’ emissions causing climate change come from the
27 places we live and the vehicles we drive and those emissions are increasing⁶ and

28

29 WHEREAS our electricity is getting cleaner with the addition of very inexpensive wind- and
30 solar-generated electricity and electricity will continue to get even cleaner as expensive coal-
31 fired electric generation is retired⁷; and

32

33 WHEREAS the Inflation Reduction Act strongly supports clean electricity with significant
34 funding and strongly supports and funds electrification, storage, and solar for low and middle
35 income people,⁸ and

36

37 WHEREAS God calls on each of us and all of us together in community to act prophetically, to
38 be role models, to be the Moses of our time, and

39

40 WHEREAS our church communities can lead the way to protect God’s earth and its people by
41 electrifying and helping our members and neighbors electrify;

42
43 **NOW THEREFORE BE IT RESOLVED** that, as one of the ways to protect all of God’s
44 creation God’s earth and its people from climate changing emissions, the Thirty-Fourth General
45 Synod encourages United Church of Christ congregations and individuals to actively plan for
46 and promote electrifying fossil-fueled space heating and cooling equipment, appliances and
47 machines when old ones fail or become outdated or replacing outdated or failing electric space
48 heating and cooling equipment, appliances and machines with new, far more efficient, electric
49 ones, and to become role models for electrification for individual members and the broader
50 community; and

51
52 BE IT FURTHER RESOLVED that the Thirty-Fourth General Synod acknowledges the
53 challenges of electrification for certain locations and settings and trusts the guidance of the Holy
54 Spirit as each congregation and individual considers the practicality, or lack thereof, for their
55 setting while still following the heart of the resolution; and

56
57 **BE IT FURTHER RESOLVED** that the Thirty-Fourth General Synod urges United Church of
58 Christ congregations to actively promote and advocate for electrification as one of the ways to
59 protect ~~God’s earth~~ all of God’s creationh and its people, and, with environmental justice in mind,
60 help our ~~members and neighbors communities electrify~~ electrify; and

61
62 **BE IT FINALLY RESOLVED** that the Thirty-Fourth General Synod requests Conferences and
63 Associations of the United Church of Christ to gather and distribute information and guidance
64 for their local congregations and individual members necessary and helpful to implement
65 electrification, thereby becoming role models for the broader community.

66
67 **FUNDING:** Funding for the implementation of the resolution will be made in accordance with
68 the overall mandates of the affected agencies and the funds available.

69
70 **IMPLEMENTATION:** The Officers of the Church, in consultation with appropriate ministries
71 or other entities within the United Church of Christ, will determine the implementing body.
